NEW CENTURY EVENT A THOUSAND DRUNKS S. V. DERRAH IS NAMED HELP AND SITUATIONS WANTED OF CHARGE.

Greeting to the World.

Arrangements are under way for the most novel event in Utah in recent years. It is nothing more or less than a greeting from the president of the Mormon church to the civilized world on the opening day

The idea is understood to have originquorum, and they in turn sought the wishes of President Snow in the matter. The president heartily favors the event, and there is little doubt now that the plan and there is little doubt now that the plan will prevail. It will be carried out by means of a big musical and brief programme in the tabernacle during Tnesday. New Year's day. The feature will be President Snow's address, a greeting in every sense of the word and to all nations, and it is probable that some poem will be recited to commemorate the event. The committee appointed yesterday to make arrangements consists of H. G. Whitney, C. W. Penrose, J. J. McClellan and Evan Stephens. The choir and organ will play important parts in the musical feature and Mr. Goddard and other well known vocalists will assist.

Choir Strengthened

Choir Strengthened.

Choir Strengthened.

The choir will be heard to great advantage on this occasion, the appeal of Director Stephens to the old members who have recently shown a lack of interest having met with a ready response. At the meeting in Choir hall last night somewhere in the neighborhood of fifty or sixty familiar faces appeared for the first time in many months and expressed their willingness to labor energetically for maintaining the high standard of the great body of singers. There were about 300 voices in the choir last night and sometime was spent practicing the "Gypsy Love Song," the beautiful number from the "Fortune Tailer," the solo part of which was sung by Eugene Cowles in Alice Nielsen's production of the opera. This chorus is being worked up for the Livestock convention concert. There was also practice on the "Halleulah Chorus," and a difficult camposition by Randegger, "Praise the Lord."

Professor Stephens gave the members a heart-to-heart talk on their duties, pressing the importance of attending rehears als and services. He said ward organizations should not be allowed to interfere with the merupers on Thursday evenings, this being a frequent excuse for non-attendance. The effect of Professor Stephens in the cornes of his remarks expressed some indignation at the story syndicated out of Salt Lake on the choir, which contained many false statements, though not intentionally malicious ones.
